EAST VICTORIA PARK TOWNHOUSE

SUITABLE FOR A 10.0M FRONTAGE X 21.0M DEEP (210SQM) BLOCK

SmallBlock Solutions specialise in the Design and Construction of Individual Homes for Small Lots, Small Blocks, Narrow Blocks and odd or difficult shaped Blocks in the Perth Metro and outlying suburbs including the hills and coastal areas.

Our services provide a 'one on one' personalised service. We understand the challenges and special requirements involved when building on blocks of land classed as **Small Blocks, Narrow Lots** or **Small Lots**. Throughout the entire project we work directly with you and are there to guide and assist you.

- TWO STOREY SMALL LOT HOME DESIGN • SINGLE STOREY SMALL LOT HOME DESIGN
- INDIVIDUAL DESIGN, CONSTRUCTION & PROJECT MANAGEMENT
